Dear Mr Manley,

I haven't heard anything from you this year so I thought I would write and find out whether you had planned on taking me with you this yr or not. My brother said you told him you was going to stays by ~~to~~ see me when you came south the ~~first~~ of the yr. but I didn't see you.

The young fellow that was such a good pitcher overseas was down to see sunday and he said the Grays wanted us to go with them this yr so if you can please write me back and let me know something so I'll know what to tell them when they get in touch with me. This pitcher wants to go with who ever I goes with, he is young and is a very

good pitcher him and I made the white all Star team last yr. in Italy. I wrote my brother last yr. about this boy and I told him to tell you about him so I hope he did. Im hoping I'll hear from you real soon.

very truly yours
Richard A. Banks
